Career Pathways has made a positive impact in my life. Career Pathways Counselors helped me match my personality with a job that I love, which for me falls under the category of Hospitality and Tourism. I acquired an Associate Degree in Culinary Arts and am now, "Chef Newberry". Career Pathways provided me

with assistance for child care as well as, gas expense for travel to classes. I have the ability to learn and think creatively, problem solve and be a more responsible individual. I graduated with the highest honors and am now employed with CCCUA as one of their culinary instructors. Thank you Career Path-

ways for assisting me but most of all, thank you God for guiding me to Career Pathways. **Psalms 37:23 The steps of a good man are orders of the Lord and he delighteth in his way.**

*Thanks,*
